Good Afternoon,

Per emailed information below and my conversation today with Linda Reeves, USEPA, Amanda Pease, found out about a meeting scheduled by CD Phelps with Senator Ann Kirkpatrick regarding Bennett Freeze issues and Cameron AUMs on 8/21/14. The meeting location has not yet been determined.

Clancy Tenley will be present. I reviewed emails today after my return from leave and did not see an email with provided invitation from Clancy, so I'm providing the invitation for the meeting/tours.

Additional information will be forthcoming once Linda receives them.
